

LIGHTHOUSE
for the BLIND
ST. LOUIS, MO.

BRAILLE
BRILLIANCE

Students build braille skills, connections with other braille users, and a positive image of braille.

To refer a student:

- The parent signs the permission form
- Either the teacher or parent can submit the completed form to jcoy@lhbindustries.com

Program Coordinator

Jennifer Coy
573-579-4359

jcoy@lhbindustries.com

Example Goals:

- New math symbols
- Accessing electronic braille materials on the computer or tablet
- Refining braille reading technique
- Braille alphabet
- Braille math strategies
- Braille labels and tactile materials for daily living skills

- In-Home Braille Tutoring
- Fun Braille Group Activities
- Braille Pen Pal Program

Details:

- Braille students in grades K-12
- Free in-home braille tutoring for the child and/or parent (not general academics)
- Instruction for mastery of specific goals based on teacher, parent, and student input
- Fun braille-related group activities quarterly
- Braille pen pal program with other Braille Brilliance students
- Complements braille instruction provided in school
- If you prefer, students can participate in just one or two aspects of the program (group activities, tutoring, or pen pals).

Refer your student soon to save a spot in the program!
